The odor from the spring was extremely noisome and tainted the air for considerable distance. The place was much frequented by elk, of which they found an abundance in the hills, and their horns, shed in the springtime were strewn in every direction around the pond."

The wonderful curative properties of the waters have proven so efficient that Dr. Tape and his associates have this season built a new hotel-sanitarium and furnished it at a cost of \$85,000, which, together with the cost of the springs and six hundred acres of land bring up their investment to \$130,000. Dr. Tane says that many invalids come there on crutches and walk away practically as healthy as when they were born.

WALLOWA VALLEY PROSPEROUS.

United States Senator Charles W. Fulton has returned to Astoria from his trip to Joseph (Wallowa county). Or., where he delivered the Fourth of July oration to an audience of nearly 4000 people in Joseph park. Referring to his trip the senator said:

"Wallowa valley is one of the most picturesque and fertile, to be found in the Pacific northwest and Wallowa lake is one of the prettiest in America. The country is just now entering upon an important era of development. Nasystem of Irrigation by what is known Mrs. Capt. Richardson, at the Cole. as the grivity system

The mayor has signed all the ordinances passed at the last session of the city council.

The county court will be adjourned until next Wednesday. At that time the much mooted question of a road be tween Warrenton and Flavel will be taken up with the idea of finally ar-riving at a decision in the matter.

Two belated celebrants of the glorious Fourth failed to appear yesterday in the police court to answer to the charge of being drunk, and so forfeited their bail, amounting to \$20. Judge Anderson suspended a fine of \$100 imposed on a worthless vag on condition that the prisoner would leave town.
